3. Screening Update
4. Update on Hydrogen Storage Project
5. Update on DBD Project
6. AOB
7. Questions and Comments
8. Next meeting date

1. SITE OPERATIONS

- Work over rig removed from site, though it will be coming back in January – will update once this is confirmed.
- Business as usual.
- Preparations for screening works.

2. ALDBROUGH HYDROGEN PATHFINDER

Project update

Site screening

- Screening works to commence 4th December.

3D model and Photo montages

- First draft of 3D model and photo montages require further updates as we believe there is more potential to improve the above ground infrastructure layout and minimise visual impact. Decision made not to share the 3D model or montages until amendments are made.
- Town and Country Planning Act Application submission will be delayed until the New Year to factor in required layout and montage reviews – no date set yet.
- However, montages will be shared as soon as possible and in advance of planning application submission.

Funding

- Announcement on funding competition expected from Government on 14th December.

|| 2. HYDROGEN STORAGE PROJECT

- Marine survey completed
- Wintering bird survey ongoing through to April - 2 days per month
- Agricultural land classification survey – dates TBC

4. Dogger Bank D

DOGGER BANK D WIND FARM
