Contents

Part 1 – Introduction	Page 2 to 4
Part 2 – Persons Identified under Section 44 AND 57 of the Planning Act 2008.....	Page 5 to 44

1. Part 1 - Introduction

- 1.1. Landownership / Interests Schedule ("LOS") has been prepared on behalf of SSE Slough Multifuel Limited (the 'Applicant'). It forms part of the application (the 'Application') for a Development Consent Order (a 'DCO'), that is being submitted to the Secretary of State (the 'SoS') for Business, Energy and Industrial Strategy, under Section 37 of 'The Planning Act 2008' (the 'PA 2008').
- 1.2. The Applicant is seeking development consent for the Slough Multifuel Extension Project ('Proposed Project'), on land at Slough Multifuel Generating Station, Slough Trading Estate, Slough (the 'Site').
- 1.3. A DCO is required for the Proposed Project as it falls within the definition of a 'Nationally Significant Infrastructure Project' (NSIP) under Section 14(1)(a) and 15(2) of the PA 2008.
- 1.4. The DCO, if made by the SoS, would be known as the 'Slough Multifuel Extension Order 20[XX]' (the 'Order').
- 1.5. The works comprising the authorised development are described in Schedule 1 to the **Order [EN010129/APP/2.1]** and shown on the **Works Plan [EN010129/APP/4.3]**. The Works Plan outlines the extent of the of land within which the authorised development may be carried out (the 'Order Limits').
- 1.6. Every parcel of land that is affected is identified as a plot and a unique number has been ascribed to each plot. The plots are shown on the **Land Plan [EN010129/APP/4.2]** which accompanies the Order **[EN010129/APP/2.1]**, and are listed in this LOS **[EN010129/APP/3.1]**.
- 1.7. The Proposed Project does not require any compulsory acquisition of land or the acquisition, extinguishment, or

interference with rights of any other party. As such a book of reference has not been provided with the Application because it is not applicable (as per Regulation 5(2)(d) of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (the “APFP Regulations”). This is because there are no persons in Category 1 or 2 who have interests in the land as described in Regulation 7(1)(a) of the APFP Regulations which it is proposed shall be subject to powers of compulsory acquisition, rights to use land, or rights to carry out protective works to buildings. There is also no land or interest falling within Regulation 7(1) parts (b) to (e).

- 1.8. This LOS has been prepared instead to identify Category 1 and 2 persons for the purposes of consultation and publicity under sections 42(1)(d), 44, 56(2)(d) and 57 of the PA 2008. It is submitted with the Application pursuant to Regulation 5(2)(q) of the APFP Regulations.
- 1.9. Section 42(1)(d) of the PA 2008 requires that the Applicant must consult each person who is within one or more of the categories set out in section 44 of the PA 2008 about the proposed application.
- 1.10. Section 56(2)(d) of the PA 2008 provides that the Applicant must give notice of the Application to each person who is within one or more of the categories set out in section 57 of the PA 2008.
- 1.11. Section 44 of the PA 2008 places a duty on the Applicant to make ‘diligent inquiry’ as to the identification of persons described in Section 44 as Category 1, 2, or 3 persons (the ‘Section 44 Persons’). The term ‘diligent inquiry’ is not defined for the purposes of the PA 2008 but requires all reasonable and recognised avenues of research to be exhausted. Section 44 Persons are defined as:
 - 1.11.1. Category 1 persons are defined as those who own, lease, or hold a tenancy in relation to or occupy the land (section 44(1) and 57(1) of the Act).

- 1.11.2. Category 2 persons are those who have an interest in the land or have the power to sell and convey or to release such land (section 44(2) and 57(2) of the PA 2008).
 - 1.11.3. Category 3 persons are defined in section 44(4) and 57(4) of the PA 2008 and are persons whose land, whilst not directly affected by the authorised development, may be entitled to claim compensation under Section 10 Land Compensation Act 1965, Part 1 of the Land Compensation Act 1973 or Section 152 of the 2008 Act, for loss resulting from the implementation of the Order and use of the land once the Order has been implemented.
- 1.12. After making diligent inquiry, the Applicant has not identified any Category 3 persons as defined by section 57(4) of the PA 2008
- 1.13. The methods employed by the Applicant to seek to ensure that all Section 44 Persons were identified and consulted included searches at the Land Registry, discussions with key SSE personnel with current and historical knowledge of the Project Site and local area, and a review of legal title reports and Land Interest Questionnaires.
